

The Mortimer Community Benefit Society will hold its AGM in September. The Agenda is published below. We need as many shareholders as possible to attend the AGM.

Much has happened since last year and we are now looking forward to Iain Dixon making his mark on the Bell at Yarpole and taking us forward on our journey to have a successful and profitable pub at the heart of Yarpole.

The old leaking flat roof at the back of the pub over the toilets and kitchen area has been renewed. The committee have received a £20,000.00 grant from the Postcode Lottery to replace all the failing wooden single glazed windows at the Bell with doubled glazed UVPC windows. This work is likely to take place in the autumn.

The minutes of last year's AGM are available to read on the website www.themortimercbs.org under Membership in Documents.

Two Board Members are retiring this year which leaves the Board rather short of members. If any shareholder would like to join the Committee we are in need of willing and conscientious volunteers. Please complete the [on-line form](#) here or on the website in Documents.

If you have any items that you would like discussed please email us at themortimercbs@gmail.com at least a week before the AGM.

Please don't forget that it is always possible to [purchase shares](#) via the MCBS website.
