

An update from Rosie's Grooming Room and how we are helping the community.

As most of my clients will know, like many other businesses I have had to temporarily suspend services and close my doors. While I am closed I am trying to help those in Yarpole who may need a delivery of pet food, toys and treats, bird seed or other pet supplies. Particularly those who are elderly, self-isolating or unable to get to the shops as normal. I have teamed up with Leominster Pet Centre to arrange periodic deliveries from the Pet shop to me in Yarpole, I am then distributing orders locally at no charge to residents. Currently these are on every second Friday.

I am not personally holding any supplies so these are for individual orders only. If you would like to take advantage of this service please call Leominster Pet Centre on 01568 615927 to place your order and pay by card over the phone at any time in the preceding week. If there is something very specific you would like please give the Pet shop as much notice as possible so they can order in if necessary. I would be grateful if you could let me know by email or telephone that you have placed an order so I know what deliveries I will have to make. 01568 780855 or info@rosiesgrooming.co.uk

If you live in other areas of the Parish such as Bircher, Lucton, Bicton etc, Leominster Pet Centre is able to deliver to you on the same day as the Yarpole order to save any delivery costs or unnecessary trips into town.

I really hope this service is of use during these difficult times and if anyone needs any help or advice on how best to care for their dogs coat until I can re-open please contact me at any time and I will do my best to help.

Hope to see you all safe and well again soon!

AJ, Rosie's Grooming Room
